GRIP LEADERSHIP CONFERENCE

On Monday the 9th of March, the Albert Student Leaders went to the GRIP Leadership Conference at the Brolga Theatre. We learned what leaders should do at school, how to lead with integrity every day, and how to implement new ideas. It was a really fun day of learning and making new friends with leaders from different schools.

All our leaders are very inspired and ready to take on 2026!

FIRST WEEK OF PREP
